

The Stealth Littoral **Combattante CL65 S** is designed to be the Best of Class in Radar Cross Section reduction combined with optimized sensor coverage and performances. She has the same hull family lines of the "Vigilante 400" class as the sea proven P400 offshore Patrol Vessel already delivered to several navies around the world.

Missions

- > Coastal and off-shore patrolling Intelligence, Surveillance & Reconnaissance (ISR)
- > Naval and law enforcement application
- > Integration to a naval task force for Anti Surface and Anti Air Warfare
- > Scouting around tactical areas
- > Deterrent strike operations
- > Support to Special Operation Forces (SOF)
- > 5t class helicopter and UAV operations

Performance and Competitive Features

- > Optimized for low Radar and Infra-red signatures
- > Perfect 360° view
- > Maximum speed in excess of 25 knots
- > Minimum operating range of 3,500 nautical miles at 12 knot
- > Increase presence at sea

Main Characteristics

- > Length Overall..... **65.00 m**
- > Beam Overall..... **10.60 m**
- > Maximum draught..... **3.00 m**
- > Speed..... **in excess of 25 Knots**
- > Range at 12 knots **3500 NM**
- > Crew **33**
- > Fuel **145 m³**
- > Fresh water..... **10 m³**
- > Hull **Steel**
- > Superstructures..... **Aluminium**
- > Classification **BUREAU VERITAS**

Main Equipment & Auxiliaries

- > Three main generating sets
- > One emergency generating set
- > Four diesel engines
- > Four Fixed Pitch Propellers (FPP)
- > One Compact Mast (Cmast ©)
- > One 5.25 m RHIB with dedicated davit
- > One 7.00 m RHIB with stern launching ramp

Typical Mission Systems

- > One Combat Management System with Data Link
- > One combined Surveillance Radar + IFF
- > One Fire Control Radar
- > One Electro-optronic Surveillance and Tracking System
- > One R-ESM and one C-ESM
- > One Surface to Surface Missile System (8 missiles)
- > One Surface-to-Air Missile System
- > One main Gun, 57 mm
- > Two remote-controlled side Guns (up to 30 mm)
- > One Decoy Launching System
- > One Integrated Naval Communications System
- > GMDSS
- > One Integrated navigation System
